ADMINISTRATION

ADMINISTRATION

OUR PRESIDENT

M. R. Thorne

at work

at play

Holmes Junior College has grown and developed into the fine institution it now is as a result of the vision, wisdom and diligence of the Board of Trustees, the administration, the faculty, and the staff. Another major contribution in this success has been the loyalty and devotion of those who constitute the student body.

I appreciate the fact that throughout this school year, you have approached each task with dedication and with a spirit of cooperation. I will always be grateful for the many smiles and courtesies and for the help you have given me this year.

As you leave Holmes Junior College, I wish you the very best and will always be interested in your future.

W. H. Bunch Registrar

IN MEMORY OF HILARY O. "PROF" THOMAS

Hilary O. "Prof" Thomas was a dedicated man. His great number of years service in the field of education and human relations was beneficial to all who came in contact with him.

Because of his keen insight into human nature, he was awarded the first Alumnus of the Year Award in 1975 by the HJC Alumni Association, and we the HORIZONS staff, dedicate this page to his memory.

An Exemplary student at Holmes Junior College in his youth, An instructor par excellence in his field of Agriculture, An ardent supporter of student affairs and college activities, A Dean of Men with a rare insight into the minds of young men, disciplining with sternness, yet with fairness and justice, retaining the respect and even the affection of those disciplined,

A Friend whose keen sense of humor, inate kindness, and loyalty made him a man whose influence was felt greatly by A singage him.

A sincere, high — principled gentleman.

DEDICATION

W. A. Miles

This year the HORIZONS staff would like to recognize an individual who has offered thirteen years of service to Holmes Junior College. W. A. Miles has been drafting instructor at Holmes since 1966 and he also coached girls' basketball for six years. In appreciation of his undying spirit and generous nature, we dedicate the 1980 HORIZONS to W. A. Miles.

The new IH' Axial-Flow combines are here!

Harvest more of what you grow.

These International Axial-Flow combines really are a revolution in combining reliability and productivity. Tests on more than a million acres of crops prove the Axial-Flow harvests more crop than conventional combines.

An IH Axial-Flow combine will also give you better quality crop—with less crackage and dockage. You can even harvest faster with an Axial-Flow, and still miss less grain. And the simple, rugged new Axial-Flow design will mean far less down-time and easier maintenance. In fact, straw walkers are completely eliminated! Stop in soon and see the revolution in combining—the new International Axial-Flow combine.

As the editor of the HORIZONS for 1980, I would like to express my sincere appreciation to Mrs. Lynda Irby, our sponsor, Mr. Jim Williams, our faculty photographer, and the members of the annual staff who put in long hours working to make this year's annual a good one.

As you look through the pages, it is hoped that some picture will bring back memories of your year at Holmes Junior College. We have tried to be faithful and cover every possible event, club, or activity that has made this year enjoyable.

I hope you enjoy your annual!

Susan Culipher Editor
